WELCOME!

We are excited to confirm your involvement at Special Olympics Virginia’s Summer Games! You will be volunteering providing dental screening and care for Special Olympics athletes in need. Please review your assignment below. We’re looking forward to seeing you at Summer Games!

ABOUT SPECIAL OLYMPICS

We provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, all over Virginia. We are helping to make the world a better, healthier and more joyful place – one athlete, one volunteer, one family member at a time.

Summer Games is one of the thousands of competitions we offer throughout the year. The athletes and coaches you will meet at Summer Games have trained for a full sports season in order to qualify to compete. More than 1,300 athletes will be going for the gold at Summer Games in swimming, track & field, bocce, bowling, tennis, and softball competitions. We are incredibly grateful to more than 3,000 community volunteers like you who make Summer Games possible. Because of you, we can continue to reveal the champion in all of us!
DIRECTIONS & PARKING

Directions to the University of Richmond can be found online: http://www.richmond.edu/visit/directions.html. See the attached campus map for details about how to reach the Robins Center (#23a). Parking will be across the street from the Robins Center in the Special Events parking lot (the blue lot on the included map). Plenty of parking is available.

CHECK-IN

You will check in with the Clinical Director of Special Smiles or the MOM project. When you check in, please sign the Event Volunteer Release Forms and the Health Athlete meal per diem form. The check-in table will have these forms. All volunteers must bring a photo ID with them to our check-in table and sign our release before engaging in any volunteer service. Each volunteer will receive a yellow volunteer wristband, which will be your identification during Summer Games. You will receive specific information and training for your volunteer role once you reach the location of your role.
EVENT VOLUNTEER RELEASE FORMS

An Event Volunteer Release Form will be at the site. Your group leader must return these completed forms to your Volunteer Coordinator upon your arrival at Summer Games (before your group begins volunteering).

- Each volunteer, regardless of age, must read the release and complete the form with his or her information and signature.

- The group leader can verify the ID portion of the form for the entire team.

- Anyone who has not completed the release form prior to Summer Games must complete a form at volunteer check-in on the day of the event and must have their photo ID verified by the Volunteer Coordinator.

WEATHER

Summer Games will go on rain or shine, but in the event of a serious storm we will suspend all outdoor activities. In the event of a weather related emergency, please call our inclement weather hotline at 1-800-932-4653 ext. 3043 to receive information about the status of the event. We will also post updates on Facebook (www.facebook.com/SpecialOlympicsVirginia), Twitter (www.twitter.com/SOlympicsVA), and our website (www.specialolympicsva.org). You can also enroll in a new text service, RainedOut.com, by texting SOVA1 to 84483. Standard text message rates will apply. This system will only be used when important State Games information needs to be sent quickly to our participants.

DRESS

We suggest you dress for seasonably hot weather! If you are volunteering as a clinician then please dress appropriate for your role. The Robins Center is air conditioned but there may be some parts of your volunteer experience that require you to go outside of the building, especially loading and unloading equipment. Our medical team will be wearing red hats, so we ask that you refrain from matching them as this could lead to confusion if someone needs medical attention.
WATER & FOOD
We will have plenty of water available for volunteers and athletes. We recommend bringing along a personal water bottle. Many groups choose to bring coolers with snacks and drinks for their volunteers. Lunch will be provided on Saturday by Hardees.

SOUVENIRS
Be sure to check out our souvenir tables at the Games, located on the Robins Center floor at the University of Richmond. Take home a memento from Summer Games, and support Special Olympics Virginia athletes in the process! Souvenirs available for purchase include t-shirts, hats, cinch sacks, Special Olympics stickers, and much more! All proceeds go directly to Special Olympics Virginia.

* PLEASE NOTE: Cleaning up is a big part of volunteering that is often neglected. Since we are annual guests at each of the venues, we try to leave the venues as nice as – or nicer than! – when we found them. Depending on your volunteer role location, you may be asked to assist with folding and stacking tables and chairs, assisting with picking up a small amount of trash, and/or boxing and loading materials. Thank you for your attention to this matter!
