**UVa-Wise, Prior Convocation Center**

The dentists and clinic where you have received care in Wise since 2000 are moving to a new location only 3 miles away - UVA's College at Wise! After 18 years at the Fairgrounds, the Virginia Dental Association Foundation wants to provide you with even better care.

***Who wants to suffer in the summer heat, rain and thunderstorms if you don't have to?***

This year, visit your dentists at **UVa's College at Wise's indoor convocation center.**

Get out of the weather and get the same dental treatment from the caring providers you have always known— in an air-conditioned, safer, and more comfortable place! Shuttles will be provided between UVa-Wise and the Fairgrounds to help you access other services.

**\*Arrive early! Pre-registration occurs Thursday afternoon, July 19.**
